To: All Business Officers
Business Service Officers

From: Department of General Services
TRANSPORTATION MANAGEMENT
1700 W. National Drive, Sacramento, CA 95834
(916) 928-5842

Subject: STATE LIST OF ELIGIBLE HOUSEHOLD GOODS CARRIERS – 36th Revision

The attached List of Eligible Household Goods Carriers supersedes all previously published lists, which should be destroyed by recycling.

Each carrier shown on this list has filed a Uniform Tender of Services and Rates to Transport Used Household Goods. The tenders are applicable only to shipments between points in California, where carriers execute the Moving Service Authorization, Standard Form 255, Part II.

A copy of this should be furnished to each officer or employee at the time of issuance of the Moving Service Authorization and the Department of General Services Moving Guide.

The officer or employee should select a carrier of their choice from this list. Request the carrier to inspect the goods to be shipped and provide the State officer or employee with the written, dated and signed form known as “Basis for Carrier’s Estimated Cost of Services” and “Estimated Cost of Services.” Realizing that the basic allowance is 11,000 pounds, the state officer or employee should stress that the carrier’s estimated weight be shown on its “Estimated Cost of Services”, be computed as accurately as possible.

***DO NOT OBTAIN “COMPETITIVE BIDS”** from several carriers, as this is neither required nor desired. However, an employee may look to another listed carrier in the event the carrier initially selected does not appear to meet the desired standards.*

Should any problem arise related to the selection of a carrier, contact Transportation Management, telephone number (916) 928-5842.
